I. COMPRENSIÓN DE UN TEXTO

Las Vegas - The Entertainment Capital by Eric Madsen

In my opinion, the Las Vegas area is one of the nicest places in the Western US and falling in love with Las Vegas is easy to do. This town is "The Entertainment Capital of the World". The city welcomes 37.5 million people a year. Visitors love to enjoy shows, five star hotels, nightclubs, unique shopping experiences, world class gaming, and plenty of Las Vegas coupons.

There is a lot to see and do besides gambling: you can rent a car and visit the desert sights, such as Red Rock Canyon and Valley of Fire. A drive from Vegas to Valley of Fire is about one hour and you can return via Hoover Dam. There's Lake Mead, with boat rentals, picnic areas, etc. They also offer raft trips down the Colorado River. As far as shopping, there are three discount outlet malls in Vegas plus several shopping malls. The Fashion Place Mall is huge. Las Vegas has excellent restaurants, golf, and other outdoor activities. And if you're into theme parks, some great rides are available right on the Strip. If you want to stay at hotels with limited gambling, try Lake Las Vegas...

There is also a lot of cheap entertainment. Look in the local newspaper ads for two for one coupon and also go to the promotion desks at the hotels, ask if they are giving any complementary tickets. Rio does all the time!

Have a great time!
